

PCNA
PREVENTIVE CARDIOVASCULAR
NURSES ASSOCIATION

About PCNA:

The Preventive Cardiovascular Nurses Association (PCNA) is the leading nursing organization dedicated to preventing and managing cardiovascular disease through assessing risk, facilitating lifestyle changes, and guiding individuals to achieve treatment goals. The current state of health care demands that nurses and advanced practice nurses play a leading role in identifying and implementing cardiovascular risk reduction strategies. PCNA is committed to the continued education and support of nurses so they may successfully rise to this challenge. We do this by educating and supporting nurses through the development of professional and patient education, leadership, and advocacy.
